Behind the scenes

the day before MDNOG 1

Badge sorting: Layer 1, fully manual

Swag bags: no automation

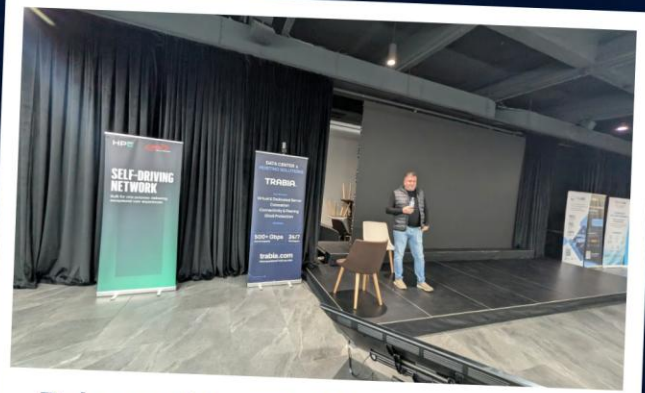

The NOC, on facility duty

First attendee — one day early

Capacity planning: chair load test

Rehearsal for a full house (of chairs)

MDNOG 1

Just the tip of the iceberg

...the last day of 3 crazy months

Part of the crew, the day before

- Planning, meetings and calls — **so many calls**
- Chasing speakers and sponsors
- Reviewing talks and slides
- Building the agenda
- ...and a bit of arguing

> **Most of it was done by just 2–4 people.**
